WEEKLY Roundup

In the news this week;

- We have had a brilliant first week back and your wonderful children have produced amazing work across the curriculum. The stand out subject this week has definitely been **writing** - right from Nursery to Year 6 children have been showing skill, creativity, determination and independence to write both fiction and non-fiction for a wide range of purposes, with great results. Well done everyone!
- Years 1 and 2 have demonstrated outstanding progress and achievement in phonics this week whilst taking part in their special phonics quizzes.
- Don't forget, June is Pride Month—a month dedicated to celebrating the LGBTQIA+ communities all around the world. [Click here](#) for more information. We will be celebrating by having a **Rainbow non-uniform day on Friday 17th June.****

THANK YOU to everyone for attending the Jubilee Fair. It was wonderful to have so many children and families having a great time celebrating the Queen's Platinum Jubilee. Your generosity raised a whopping **£405** for school.

After being unable to do much fundraising due to the pandemic it's great to be able to build our school fund back up again so that we can continue to pay for extra equipment, treats and activities that are not part of the curriculum.

Friday 17th June.

Bring £1 and come to school dressed in rainbow colours to celebrate Pride month. Money raised will be used to buy even more books for classes about diversity.

FEEL GOOD FRIDAY

Thursday 9th June was Empathy Day. Empathy is the ability to understand and share the feelings of others.

Discuss: Supporting other people's emotions and reacting in an appropriate way makes people feel listened to. In turn, we feel good that we've been able to empathise and support someone else.

Do: KS1 - Give the children different scenarios (e.g. a friend was excited about receiving a gift, someone was crying) and ask them how they would react. They could show you appropriate facial expressions, body language or tell you phrases they might use.

KS2 - Give the children different scenarios to role play in pairs (e.g. someone doesn't do as well as they hoped on a test, someone has an injury, someone comes first in a race). Ask them to respond to each other in an attentive manner, ask appropriate questions and be supportive.

Reflect: How does it feel to be able to support someone else? Can you think of a time when you showed empathy? Is it always easy for everyone to empathise?
