## WEEKLY Roundup

### SPECIAL AWARDS EDITION

See page 2 & 3

Well, we're finally at the end of another amazing year! All the children have worked so hard and made great progress across the board. The quality of work in books and around school has really shone this year and all pupils have made great strides forwards, both academically and personally, after well and truly bouncing back from all the covid disruptions. With your continued support, our school has continued to go from strength to strength and we are already looking forward to maintaining this momentum and getting off to a flying start in September. All our subject leaders have been refining and enhancing plans to make our curriculum even better and to ensure our children continue to excel. As well as furthering our maths mastery journey we will also be taking part in a research-led literacy project, a speech & language project, investing in enhanced SEND provision mapping and developing a new Forest School area. We will continue our Active School Trailblazer work and have extended our commitment to the WOW Walk to School challenge for another year. Also - look out for our new website in September!

Our Year 6 pupils have had a brilliant week and produced a stunning end of year performance that really summed up what an amazing class they have been all the way through school. We are very proud of them all and know that they are ready to shine their very bright lights at North Halifax, Crossley Heath, Trinity Grammar, Ryburn and Calder secondary schools.

We are also saying a big thank you and goodbye to Mrs Phillips and Mr Collins who are moving on to exciting new ventures. We wish all our leavers all the very best.

**We hope you all have a lovely, restful summer holiday and look forward to seeing you in September.**
