

FRENCH

INTENT - Our curriculum enables children to express their ideas and thoughts in French and provides opportunities to interact and communicate with others both in speech and in writing whilst giving children an introduction to the culture of French-speaking countries and communities. In LKS2, children acquire basic skills and understanding of French with a strong emphasis placed on developing their Speaking and Listening skills. These are embedded and further developed in UKS2, alongside Reading and Writing, gradually progressing onto more complex language concepts. Our aim is to help children grow into curious and confident language learners and to provide them with a foundation that will equip them for further language studies. Our core values in French are compassion, friendship, and respect.

IMPLEMENTATION – The [Kapow French](#) scheme of work will form the core MfL curriculum. Lessons and resources help children to build on prior knowledge alongside the introduction of new skills. Revision of previous learning is built into each lesson, as well as the introduction of new vocabulary and grammatical structures.

IMPACT - Children will be able to speak, read and write about a variety of topics in French and engage in conversations. They will become enthusiastic and inquisitive about languages. We hope that French is loved by pupils across school, therefore encouraging them to embark on further language studies.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer2
Early Years, Year 1 & Year 2	Children prepare for studying MFL through speaking and listening activities. They acquire the ability to read and write, following simple grammatical structures in English before applying these skills to MFL. Children develop an understanding of the wider world, learning about other countries and cultures.					
Year 3	3. French greetings	3. French adjectives, colours, size and shape	3. Playground games	3. In a French classroom	3. French transport	3. A circle of life
Year 4	4. Portraits	4. Clothes – getting dressed	4. French numbers, calendars & birthdays	4. French weather and the water cycle	4. French food	4. The Eurovision Song Contest
