This week's Gold Book Superstars are...

OAK Class

- Jack and Olivia for putting maximum effort into their formal complaints letter addressed to Mr Sissons, a cruel taskmaster from a Victorian workhouse. They have used thesauruses to carefully select formal synonyms and emotive language and have edited their work carefully for basic punctuation and spelling errors. Very impressive!

ELM Class

- Tyrell for his efforts in writing this week when creating rhetorical questions and for his strong times tables knowledge. Tyrell has also shown some fantastic thinking when working with Roman numerals.
- Effie for her wonderfully presented work, she is developing beautiful handwriting. I've also been impressed by her ideas when writing sentences for a persuasive leaflet.

SYCAMORE Class

- Jacob produced some amazing work in Science this week. He was able to use cubes to measure the length of a shadow and turn it into a bar chart. He was also able to explain his results, showing the longest and the shortest shadow. Incredible work, well done Jacob!
- Kash is absolutely thriving in his first term as Year 3. He is always eager to share his learning with others, and challenges himself across every part of the curriculum. In particular, Kash shines in Maths. Not only has he demonstrated fluency in his number sense but has also begun to explain his reasoning and apply these skills to a wider context. He is only going to continue to flourish as the year goes on - fab work Kash!

WILLOW Class

- Skyler - Skyler always enjoys drawing club. She is able to share her ideas and draw amazing pictures. She then describes her drawings using sentences. Keep it up!
- Alacey-Mai - Fantastic work in Maths this week! Alacey-Mai has shown determination when recording addition fact families.
- Kyle - He has worked really hard this week to follow our routines and instructions. Kyle comes in each morning with a huge smile and is able to organise his belongings.
