This week's Gold Book Superstars are…

ELM Class

- Dougie for his work on subtraction in maths and his explanation of how to complete a subtraction with an exchange.

- Evelyn for sharing her excellent animal knowledge with enthusiasm when learning about different animal habitats.

SYCAMORE Class

- Ezra has proven himself to e an excellent mathematician this week. The class have been working on column addition, with focus on exchanging tens and hundreds. Despite there being a lot of steps and the method being quite tricky, Ezra has risen to the challenge and can now confidently set out his work in column, as well as explain his reasoning as to why he was exchanging. Ezra was so confident, he even (successfully!) ventured into the thousands' column! Well done Ezra.

- Chester has also shown super work in Maths this week. Initially finding column addition tricky, Chester has persevered and listened to feedback on how to set out his work and which numbers need to be exchanged. By the end of the week, Chester was able to add together two 3 digit numbers that needed multiple exhanges! Well done, Chester.

- Rares had an amazing week in English. He used excellent vocabulary retelling his tale of the 3 Little Rabits with lovely handwriting too! Well done.

WILLOW Class

- Lottie - offering amazing explanations and ideas during our class discussions in Science. She was able to explain the weather changes and identify the seasons.

- Kiki - she is a fabulous member of our class. She is always keen to share her amazing ideas, particularly in drawing club! Keep it up Kiki!

- Roman - Roman has begun to add extra details to his drawings in drawing club. He offers fabulous explanations to staff about what he is drawing!

- Jacob - Amazing work this week! Jacob has blown us away with his focus and determination this week. He has completed all his tasks and we are very proud!
