For copies of the form and if you have any questions please contact the office.

This week's Gold Book Superstars are...

• OAK Class

Lyan has had a fantastic start to the year. I have been really pleased with the effort she puts into all her work, particularly Maths. As well as this, she regularly checks in with her teacher to check she is completing her tasks to a good standard. She is responding well to challenges and even completes them with a smile on her face! Well done Lyan.

- Bohdi is a great student to have in any teacher's class. He has wonderful manners and sets a good example with his behaviour to others around him. He's a good listener and always makes sure his work is completed to a good standard. He already is showing us what a good role model he is for other children in school to look up to..Well done Bohdi!

ELM Class

- Ivy for her hard work in maths over the last few weeks. Ivy has been seeking out more and more challenges, listening to instructions and feedback, and trying her very best in every maths lesson. Well done, Ivy!
- Rose for her enthusiastic participation throughout the whole day this week. Rose has been ready to learn and trying her very best at everything we ask her to have a go at. She was really impressive when thinking about word classes and using expanded noun phrases to describe a wintry scene.
- Oakley has wowed us when choosing to spend 5 minutes of free time to write. He chose a piece of scrap paper from the tray and continued his underwater description independently!

SYCAMORE Class

- Isaac has settled into our class so well, and has really pushed himself out of his comfort zone in all of his subjects. He has made lots of friends in class, and has even impressed the Star Room during his phonics sessions! Well done Isaac. 😊
- Sam has written some excellent persuasive sentences in English. He has been careful with the vocabulary he has chosen in order to make the greatest impact, which has definitely paid off. Sam also impressed Mr. Lowry Morton in Geography with his excellent facts and hard work. Well done, Sam!

WILLOW Class

- Sadie - amazing reading this week. She is working really hard in phonics to blend and read words. We are so impressed!
- Lewis - Lewis has made amazing progress with his fine motor skills and control. Lewis has shown great determination and focus to improve his letter formation. Keep it up Lewis!

Respect Love Trust Friendship Endurance Compassion

MOBILE PHONE POLICY

At Luddenden CE School, our Christian vision of **Excellence through Equity, Inclusion and Love** underpins everything we do. Our core values of **Respect, Love, Trust, Friendship, Endurance and Compassion** guide the way we learn, work and care for one another as a school family.

As part of our commitment to creating a safe, inclusive and focused learning environment, Luddenden CE School is a mobile phone-free school and follows current Department for Education guidance regarding the use of mobile phones in schools. We actively discourage pupils from bringing mobile phones to primary school and seek to promote positive relationships, wellbeing and engagement in learning without the distractions that mobile devices can create.

We recognise that, in exceptional circumstances, a pupil may need to bring a mobile phone to school. In such cases, parents/carers and pupils must complete and sign the school's **Mobile Phone Agreement** before a phone is brought onto the school site.

By working together in a spirit of trust and mutual respect, we can ensure that all children benefit from a safe and supportive environment where they are able to thrive academically, socially and emotionally.

Our Mobile Phone Rules

- All pupils bringing a phone into school must have a valid reason and agree to the mobile phone policy.
- Any mobile phone brought into school without permission may be confiscated and returned only to a parent/carer.
- All phones must be switched off and handed to the class teacher or stored in the agreed secure location for the duration of the school day.
- The school cannot accept responsibility for loss, theft or damage to mobile phones brought onto the premises.
- The school will educate pupils about online safety, but parents/carers retain primary responsibility for safe use outside school.
- Pupils must not take photographs or videos of others without permission.
- Any inappropriate or unauthorised use of a mobile phone in school will result in confiscation.
- The school reserves the right to search for a mobile phone where appropriate and lawful.
- Pupils who fail to follow these rules may lose permission to bring a phone into school.
- Mobile phones are not permitted on educational visits or residentials unless specifically authorised by the Headteacher.
