## In the news this week;

- It was Transition Day today and children went to their new classes and met their new teachers. They completed lots of fabulous getting to know you activities and teachers are excited to get started with their classes in September. Our fabulous Year 6 class went to their new high schools to get a flavour of what their school life will be like in September. We're sure they had an amazing time and are now looking forward to their next chapter!
- The whole school have been learning about how to look after the environment. They have learnt about plastic pollution, water conservation and recycling. Some children even took it upon themselves to collect any bits of plastic they could find from the playground so they didn't end up in the sea and hurt the marine life.

### The Great Luddenden Picnic

...

We have experienced some issues with people parking on the zigzags outside school and are worried about pupils' safety.  
Please read the following and make sure you're not putting our children at risk

## Safety tips for parking outside school

When picking up or dropping off children at school, you should do the following:

- Allow yourself plenty of time as the area is likely to be busy.
- Do not park on yellow zigzag lines and avoid parking opposite them.
- If you decide to park further away, please be considerate of local residents and avoid blocking driveways or accessways.

### Is it illegal to park on zig-zag lines outside schools?

- Yes, it's always illegal to park on yellow zig-zag lines anywhere. Rule 243 of the Highway Code indicates a range of places where motorists must not park, including on a bend, a dropped kerb or the brow of a hill. It also states that drivers must not park near a school entrance.

### What is the penalty for parking on zig-zag lines?

- It depends on which body issues the penalty. If caught by the police, although it's a non-endorsable offence, drivers could face a fine of between £50 and £100. A local authority issuing a penalty charge notice may fine the driver either £50 or £70, though the charge is usually halved if
