In the news this week;

- Sycamore Class have been learning all about World War 1 and the trenches this week—see page 2 for photos!
- Willow Class have had some special visitors who have been teaching them line dancing. They learnt three routines and Cindy and Helen will be back next week to teach them some more! Check out page 2 for a photo of them in action!
- Don't forget we have Mrs Manning's delicious Bake Sale next Friday—contributions are greatly appreciated!

The whole school wish our fabulous Year 6 pupils the very best of luck for their SATS next week—they'll smash it of course! We will be providing breakfast each morning from Monday to Thursday before they begin any test. We are asking them to arrive a little earlier at 8.40am just so they can eat and be settled and calm before we begin. Early nights all round for Year 6 next week!

- NUT ALLERGIES** - In the interests of children's safety, can we please ask that you **don't send any lunch items or snacks that might contain nuts into school please.** We have a number of children

SUPPORT FOR FAMILIES *Need help? Need to talk?*

Why not pop in to our drop in on Parents' Evening - we offer confidential advice and signposting for help with all sorts of things like healthy eating, mental health, behaviour issues, sleep problems etc... Just ask!

Parking

Can we remind all parents to park considerately outside of the school when dropping off and collecting their children. There are adequate spaces on the surrounding streets to accommodate parking for everyone. We are an active school and encourage our school family to park sensibly and walk the extra distance to school!

After School Clubs

KS1 Board Games Club Tuesday 3.30-4.15

Just a reminder that children should come to school in their school uniform every day except on their birthday when they can come in their own clothes! We appreciate that as the weather gets warmer they might choose to come in a summer dress or uniform style shorts.

MULTIPLICATION TABLES CHECK

WHAT

- Pupils are tested on their ability to answer multiplication questions up to 12 with an emphasis on the 6, 7, 8, 9 and 12 (these are considered to be the most difficult)
- The tests are online and on-screen
- The check contains 25 questions with 6 seconds to answer each one
- There is a 3 second pause in-between each question, before the next one appears on screen
- Before the test, schools can access a practice area for children to become familiar with the style of check
- Each check takes less than 5 minutes per child
- There are multiple versions of the test. The version each pupil gets is selected at random
- There is no expected pass rate or threshold

WHO

- The Multiplication Tables Check (MTC) is a statutory test for Year 4 pupils
- Children will not be required to resit the test if they do not get a high enough score
- Schools will be required to report the results of each child to their parents or carers

WHY

- The purpose of the Multiplication Tables Check is to determine whether pupils can fluently recall their times tables up to 12
- The check will help schools to identify pupils who require additional support

WHEN

- 3rd - 14th June: Schools can choose a day within these 2 weeks to complete the test
- The test can take place on one day or across several days
- 17th - 21st June: Timetable variation week for pupils who were absent during the MTC weeks
