We have experienced some issues with people parking on the zigzags outside school and are worried about pupils' safety.  
Please read the following and make sure you're not putting our children at risk

## Safety tips for parking outside school

When picking up or dropping off children at school, you should do the following:

- **Allow yourself plenty of time as the area is likely to be busy.**
- **Do not park on yellow zigzag lines and avoid parking opposite them.**
- If you decide to park further away, please be considerate of local residents and avoid blocking driveways or accessways.

### Is it illegal to park on zig-zag lines outside schools?

- **Yes, it's always illegal to park on yellow zig-zag lines anywhere.** Rule 243 of the Highway Code indicates a range of places where motorists must not park, including on a bend, a dropped kerb or the brow of a hill. It also states that drivers must not park near a school entrance.

### What is the penalty for parking on zig-zag lines?

- It depends on which body issues the penalty. If caught by the police, although it's a non-endorsable offence, drivers could face a fine of between £50 and £100. A local authority issuing a penalty charge notice may fine the driver either £50 or £70, though the charge is usually halved if
