This week's Gold Book Superstars are....

Oak Class

- All of Year 6 - For their outstanding focus and determination during SATs week.

Elm Class

- Eli - for applying his scientific knowledge when estimating gestation periods of different mammals. Also for his impressive long standing long jumps - could Eli out jump a cat? Perhaps!
- Alfie - for his impressive swimming skills - I had the opportunity to take Elm swimming this week and was blown away with Alfie's speed in the water. A Michael Phelps in the making perhaps?!
- Sara - for her hard work when researching information about Shaun Tan when preparing to write a biography. She was joining her ts in a slightly irregular way but after a quick conversation she ensured she was forming correctly throughout. Well done Sara!

Sycamore Class

- Rosalina - for showing super understanding of our topic of equivalent fractions in this week, showing it on a bar model with beautiful presentation.
- Grace - for working so hard to improve her handwriting this week, taking care to put all of her joins in all of the right places and keeping her sizing accurate. She has offered thoughtful contributions in class and has been an all round superstar.
- And a shoutout to Charlie in Y1 for working so hard in History every week, and for trying to improve on himself every week. He's very ready for Year 2!
- Ivy - for participating when learning about the Ancient Greeks and completing her work with independence and drive.

Willow Class

- Riley - showing persistence and patience with his letter formation. He has focused and worked so hard to improve his letter formation. He has made amazing progress and we are so proud.
- Sadie - She used clay to produce a fantastic rabbit. She thought about the detail she needed to have including the animals' features. Were excited to paint them next week.
- Zia - working hard to form her letters correctly particularly the letter a.
