In the news this week;

- Fancy some Sizzling Summer Art & Craft? Free Family Learning is back again on 6th July - come and join the team and have fun making a **suncatcher, collage and sand art bottle!** [More information on p3.](#)
- The school diary is filling up with all sorts of events and activities before the end of term - see page 2 for an overview.
- Year 5 & 6 enjoyed their Footsteps Local History Activity Day out in Cragg Vale, finding out all about the Victorian vicar, [Thomas Crowther](#) and what he did to champion the mill children and how he campaigned to improve their working conditions. The organisers were so impressed with the children, they sent us this message; *'It was delightful having your pupils with us yesterday and they behaved so well and really entered in so fully to all the different activities. The whole team felt this. They did your school proud!'*
- Miss Ryan totally smashed KS1 Moderation - the moderators were impressed with all the evidence she had collected and how confidently she talked about her wonderful Year 2s.

NED'S MINDSET MISSION

### Hello families!

NED's Mindset Mission is a positive behaviour assembly visiting our school! A world-class performer takes our students on a 45-minute journey filled with storytelling, illusions, yo-yo tricks and humour.

NED's message and memorable friends inspire students, promote academic achievement, and support our school goals. NED will become a positive role model at both school and at home.

**Never give up Encourage others Do your best®**

A yo-yo is both a mindset tool and tangible reminder of NED's message. While learning to yo, children will make mistakes, try again, & improve. Read more at [www.MindsetMission.com/yoyos](http://www.MindsetMission.com/yoyos).

This year, there has been a national increase in measles. Although there are no cases in Calderdale at present, vaccination rates are low in some areas, which means that if we do get a case it is more likely to spread. Measles can be very serious for some people, but the good news is that it you can be avoided it by getting a vaccination.

If you're not sure if you have been vaccinated, you can check your records on the NHS app or you can check your children's vaccination record in their red book. Alternatively, you can check with your GP.

If you or your family have not been vaccinated it is not too late. Contact your GP and they will book you in for a first dose followed by the second dose 2 months later to ensure you are fully protected.
