## WEEKLY Roundup In the news this week:

- We hope you all had a wonderful Easter! It's been lovely welcoming everyone back into school for what we're sure will be an action-packed Summer Term. All the children have settled back into school well and already done some amazing learning.
- **ATTENDANCE** - we have just completed Spring term's data analysis and our overall average (95%) is just above the National figure (94.6%). Now that the nasty winter bugs have gone we are hoping that our average gets even higher as everyone is able to attend school every day. School Attendance letters have been sent to families of children with attendance around 90% as a reminder to avoid the Persistent Absentee' category. The Local Authority also monitor our attendance and will issue letters to families raising concerns - to avoid this please just make sure you keep sending your children to school each day! If you need any support with attendance or if you have any questions please don't hesitate to get in touch.
- We have enjoyed giving a very warm welcome to Sycamore class's **new teacher**, Molly Savill. Molly has had a great week and been really impressed with her class. She has enjoyed meeting everyone is managing to get to grips with how we roll here at the best school in the world.
- You might have noticed that Sharon hasn't been around this week. Unfortunately her mum died at the end of the holidays. I'm sure you'll join us in sending her our deepest sympathies and lots of love at such a sad time. She knows her school family is here for her and we look forward to seeing her soon. As you can imagine - the office isn't quite the same without her so thank you all for your patience if things don't run quite as smoothly as usual!
- We have also found out our new pupils for Reception in September! We are thrilled that pupils from Nursery and some new additions have all got places and can't wait for them to join us. We do still have some spare places left so if you know of anyone looking for a place or unhappy with their allocation to another school please tell them to get in touch! New children are always welcome here!

• See Page 2 for an exciting opportunity at Luddendenfoot Community Centre!

## LUDDENDEN CE SCHOOL

Excellence through Equity, Inclusion & Love

### Places available now

# TEAM POINTS

The Team Point Pixies have been flying round and adding up all the team points.

They have been counted and verified...

and the winner is...

 Diamonds	 Rubies	 Sapphires	 Emeralds
256	557	729	708

## WELL DONE TREASURES!!!

**BRILLIANT BLUE PUPILS**

**Ezra, Leon, Jack B,  
Florence, Luca, Elliot**

# This week's Gold Book Superstars are....

## Oak Class

- Kane always works hard and does his very best in every lesson. His attitude towards SATs revision this year has been outstanding. He has attended every single mathematics booster class which involves an early start every Tuesday morning! Other Year 6 pupils have also attended booster class, but the reason Kane is in the Gold Book is because he no longer needs to attend due his incredible, recent Arithmetic test scores. However,....one more thing! Even though he does not need to come to booster class anymore, he has still insisted he would like to attend just to be sure he is fully prepared for SATs week. What an incredible attitude towards his learning! Well done Kane!
- Leo C has returned to school this week after a lengthy absence. We are so pleased to have him back in Year 6, we have missed him so much! All of Year 6 want to say how proud they are of Leo and how brave he has been over the last few months. His efforts with his work and his superb, positive attitude have not gone unnoticed over the last few days. We all think you are amazing Leo and we are all here to support you and help you in any way we can. You are an inspiration to us all! But.... no more wheelies in school please! It's making Mr Charnley very nervous!!

## Elm Class

- Isobel - for improved confidence when answering questions in class and her hard work when learning about amounts of money in maths.
- George - for extending our vocabularies when discussing inferences from The Arrival by Shaun Tan and concisely and accurately explaining what an apprentice is to his peers.
- Lyan - for confidently sharing information with us during our RE lesson on Islam. She helped her peers understand the importance of the Quran to Muslims and how they treat their holy book with respect.

## Sycamore Class

- Ivy - for making the classroom a lovely place to be. She has contagious enthusiasm in maths and music, and has been an all round superstar!
- Tyrell - for working so hard in every subject. He's eager to please and help others succeed as well. We have been particularly impressed with his fractions!
- Rares - for being such a positive member of the classroom all of the time. He's smiley, friendly and a fantastic partner
- Kash - for his amazing contributions in maths. He has used tricky words like 'denominator' and 'numerator' correctly and confidently. Well done!

## Willow Class

- Cohen - for an amazing attitude to learning this week. He has been ready to learn and worked hard during carpet sessions.
- Scarlett - for sharing fabulous ideas in drawing club this week. Using adjectives to describe Zog.
- Pippa - for applying her handwriting to her drawing club work! Amazing!

WEEKLY MEAL PLANNER:

- All meal choices are homemade, from scratch by chefs using high quality raw ingredients that are unprocessed and where applicable, seasonal. All Milk products are made with organic milk
- All meat products are Red Tractor accredited
- All fish products are M.S.C accredited
