Design a road safety poster and win shopping vouchers

Calderdale Council would like young people to help raise awareness of road safety. Your challenge is to create a poster that promotes road safety to your community using one of the themes below:

- **Buckle Up!** - Seat belts keep everyone safer. Little ones need the right car seat too.
- **Stop, Look, Listen, THINK** - Use the Green Cross Code every time you cross.
- **No Distractions** - Phones away, headphones off, eyes up. Messages can wait until you're safely across.
- **Use Safer Crossings** - Zebra crossings, traffic lights, islands — they're there to help you.
- **Watch Out for Parked Cars** - Look carefully when crossing between parked cars.
- **Be Bright, Be Seen** - Wear bright or reflective clothes, especially when it's dark.
- **Know the Risks** - People aged 12–15 are more likely to be in collisions — think safety.

One winning design will be chosen from each theme. The designs will be used in promoting road safety by Calderdale Council and partners. The winners will be announced at our community road safety Vision Zero event at People's Park in Halifax on Thursday 13 August and presented with their prizes.

- The competition is open to young people aged 18 and under who live or go to school in the Calderdale area.
- The poster should be A4, can be hand drawn or done using a computer but it should be your own work. You should not use AI to create the poster or include any elements which would breach copyright.
- Please state on the back of the poster the category you are entering, your first name, age and contact details for your parents/guardian or organisation.
- Entries must be submitted by 17:00 on 9 August 2026 to visionzeroposter@calderdale.gov.uk or can be posted/delivered to Halifax Town Hall, Crossley Street, Halifax HX1 1UJ.

For full terms and conditions and information on GDPR, please visit the event link below.
