## In the news this week;

- Year 5 and 6 received CPR training this week and had a fantastic time learning an important life skill. The training was delivered by Splat Training and the children spent the afternoon learning how to use their new found skills in an emergency situation. They role played the procedure on practice dummy dolls and did a fantastic job!
- Elm Class have been using oil pastels this week to create some beautiful artwork of our planet. They used images from space to create their own artwork and drew the continents of the world by hand!
- Sycamore Class finally revealed the results of their investigation into UV light on Thursday. They discovered that the coloured paper had been faded by the UV light and left brightly coloured paper under the shapes they stuck on. They learnt that these rays can affect many objects including cars!
- FINAL CALL!** Thursday 24th October is **Flu Immunisation Day** in school for Reception to Year 6. Any parents who still wish to register their child /children to receive the immunisation should contact the Nursing team on **01484 368500**

**NUT ALLERGIES** - In the interests of children’s safety, can we please ask that you **don’t send any lunch items or snacks that might contain nuts into school please.** We have a number of children with significant allergies and don’t want to put them at risk. Thank you for your support.

We have experienced some issues with people parking on the zigzags outside school and are worried about pupils' safety.  
Please read the following and make sure you're not putting our children at risk

## Safety tips for parking outside school

When picking up or dropping off children at school, you should do the following:

- **Allow yourself plenty of time as the area is likely to be busy.**
- **Do not park on yellow zigzag lines and avoid parking opposite them.**
- If you decide to park further away, please be considerate of local residents and avoid blocking driveways or accessways.

### Is it illegal to park on zig-zag lines outside schools?

- **Yes, it's always illegal to park on yellow zig-zag lines anywhere.** Rule 243 of the Highway Code indicates a range of places where motorists must not park, including on a bend, a dropped kerb or the brow of a hill. It also states that drivers must not park near a school entrance.

### What is the penalty for parking on zig-zag lines?

- It depends on which body issues the penalty. If caught by the police, although it's a non-endorsable offence, drivers could face a fine of between £50 and £100. A local authority issuing a penalty charge notice may fine the driver either £50 or £70, though the charge is usually halved if paid within 14 days
