WEEKLY Roundup

In the news this week;

- We hope you all had a lovely half term holiday. We've had a great first week back. All the children have settled back into their learning and already produced some amazing work.
- On Tuesday, Mr Charnley led us through a deep dive into Maths with the Academy Improvement Officer - we looked at all things Maths, including lessons and pupils' work, and confirmed that **Maths is a real strength** in our school - **Well Done Everyone!** Here are some highlights;
 - The Maths curriculum has been coherently planned and sequenced towards pupils gaining cumulatively sufficient knowledge and skills*
 - Pupils are motivated by Maths and there is a very positive feel for Maths in classrooms*
 - Good working environment, children able to complete tasks independently and also in collaboration*
 - Excellent verbal reasoning demonstrated by pupils and the teacher really stretched and challenged appropriately*
 - Adapted teaching and tasks meet the needs of children, including moving more able pupils on quickly*
 - SEND pupils are well catered for and where needed, pupils are following a structured Maths program that is well matched to their needs and supported by TAs*
 - Pupils take pride in their work and demonstrate positive learning behaviours and attitudes*
- Our legendary **Friendship Disco** finally took place on Thursday. Everyone had a fabulous time - see next week's newsletter for photographs. As well as bustin' their best moves, the children had time to **reflect on friendship and kindness** and took part in art & craft competitions. See page 2 for the winning entries.
- Year 5 and 6 are gearing up to develop their cycling skills at **Bikeability** - coming soon on 4th & 5th March. **Don't forget your helmets!**
- Year 6** are on fire with all their learning at the moment and are about to turbo-boost their readiness for SATs in May by joining **Booster Classes** before school - starting at 8:20am on **Tuesday 27th** February.
- Acorns** have been taking their new Pets topic very seriously and have set up a **vets practice** in the classroom. We can see some future careers taking off as they very carefully tend their patients!

 Mr Charnley's dream teams are coming together and getting some practice in. **Watch this space...**
Football Fixtures coming soon!
