WEEKLY Roundup In the news this week;

We have welcomed 2 more new pupils into school!

Sycamore Class have been busy learning about the different types of rock you can find on Earth.

They had lots of great questions about what type of rocks you can find on the Moon and they used their knowledge to understand more about it.

Oak Class have been writing some amazing Greek myths this week. Mrs Hoyle has been really impressed by the standard of writing and the language and vocabulary used. Well done!

Elm Class have been working on their gymnastic skills this week, learning new shapes and creating their own routines!

Willow Class have been measuring rainfall in their outside area this week. They set up an investigation to see how much rain fell and used mathematical vocabulary to describe their findings.

Acorns have been working on their fine and gross motor skills this week. They completed a daring assault course where they had to work in pairs to balance a bowl and move as a team!

In other news, after being part of our school family for 10 years, this will be Lizzie Stansfield's last term with us. She has decided to take a break from teaching to spend more time with her young family and will be leaving at Easter. We will be really sorry to see her go but understand how tricky it is balancing life and work. The good news is we have already started the search for another great teacher to join our team. An advert has gone out and the phone has already started ringing! Please be assured that we will do everything possible to make sure that everything stays consistent for the children. If you have any questions or concerns please don't hesitate to get in touch.
