IMPORTANT INFORMATION ABOUT FREE SCHOOL MEALS

Dear families

The government are making some changes to Free School Meals. The key changes are;

- **Expanded Universal Credit Eligibility:** All pupils from households receiving Universal Credit are entitled to a free school meal. This adds over half a million children to the program.
- **Removal of Income Cap:** The previous rule restricting FSM to families with annual earnings under £7,400 no longer applies for meal provision.
- **End of Transitional Protections:** The protection preventing children from losing their meals if their household circumstances changed will end. All currently eligible pupils must be rechecked to verify they meet the criteria for the autumn term.

We are proud to say that currently over two thirds of our children are entitled to free school meals. We hope that the changes mean that even more children & families will be able to benefit too.

In the first instance, it does mean that we need to recheck everyone's eligibility.

Please read on for more information, then **complete the form overleaf and return it to school as soon as possible.**

You may be entitled to receive free school meals if you are in receipt of certain benefits or support. You could also raise additional pupil premium funding for school to fund support like extra resources, tuition, additional teaching staff or other school activities. The information collected in this form will allow us to make this assessment.

You only need to complete this form once. Subsequent rechecks of your eligibility will be carried out annually to assess whether you continue to be eligible for free school meals. You should contact the school or local authority if you have a change in financial circumstances.

We are committed to ensuring that the personal and sensitive information that we hold about you is protected and kept safe and secure, and we have measures in place to prevent the loss, misuse or alteration of your personal information. We will use the information you provide to assess entitlement to free school meals. The information may also be shared with other Council departments to offer benefits and services.

Please fill in all sections of the form and return it to school. If you have any questions or need any help at all please just get in touch. We want to make it as easy as possible for you.

Thank you!

Lisa & Sharon

This week's Gold Book Superstars are....

Oak Class

- Elsie has impressed us all during our play rehearsals as the character Violet Beauregarde. She has already learnt all her lines and delivers them with such clarity and expression. She is setting an excellent example to her fellow actors on the need to speak slowly and clearly during dialogue. When moving across the stage, she needs very little direction and expresses her character well through dance, movement, rhythm and gesture. We are super impressed – she has a real talent for acting!
- Mahmoud's confidence has grown and grown spectacularly over the last few months. His English speaking and writing has improved so much that he now puts his hand up in lessons and takes part in class discussions. It was so good to see him volunteer himself for a speaking role in the school play. He makes a great Oompa Loompa! It was also a joy to see him singing on his own at the top of his voice in class this week – what incredible confidence! Well done, Mahmoud!

Elm Class

- Reilly, Bohdi, Alfie and Khaled - for their excellent teamwork during our green STEM challenge workshop with Achieve Your Goals. We noticed excellent organisational skills, thoughtful language between the four boys, and an inclusive spirit to every step of the project as they developed their own renewable energy company and constructed a working model wind turbine. The way they worked showed respect towards one another, strong bonds of friendship, and endurance when completing trickier steps of the task together. Each one of them could grow up to make an excellent engineer, and we are confident the future is safe in their hands.

Sycamore Class

- Esmae has really pushed herself this week! She has been asking for feedback and reflecting on how she can improve further. She has given thoughtful contributions in Geography in our class discussions comparing Antarctica and the Sahara. She has also been supportive and helpful to her Year 1 partner. Keep it up, Esmae!
- Tyrell has wowed both Mrs Hoyle and Miss Savill with his French skills! He can recall the names of several French animals and even learned a bit of Dutch to support his understanding of French better. Tres bien, Tyrell!
- Lukas and Jacob are a delight to teach each and every week when they come to me for Geography. Despite changes in routine (and weather!) they've taken this in their stride and have worked even harder than their usual hardworking selves. Well done, superstars.

Willow Class

- Pippa - for working really hard on the presentation of her work. This has significantly improved in all her work! Keep it up Pippa!
- Elliot - for always trying his best. He completes his work with a 'can do' attitude and even persists when things seem tricky!
- Abudi - for amazing work during his maths assessments this week! Abudi completed them independently and showed us all his amazing Maths skills and knowledge!
