WEEKLY Roundup In the news this week...

- Mr Charnley, our maths lead has enjoyed visiting all the classes this week looking at Maths lessons – he has been very impressed by the quality of pupils' work and how much progress they are making each day. Teachers are doing a great job of adapting teaching and learning activities to enable all pupils to succeed in and enjoy maths. Keep up the good work everyone!
- NURSERY PLACES** – Don't forget we welcome children into our lovely Nursery Class the term after they are 3 – if your child turns 3 on or before 31st December then they can **start Nursery in January! 30 & 15 hours available – all for FREE!** Feel free to come and visit to see all the wonderful things Acorns get up to... just get in touch to arrange a time.
- This week saw the start of **BLACK HISTORY MONTH** – this year's theme is '**Honouring Our Communities**', focusing on everyday, unsung heroes – such as nurses, teachers, volunteers, carers and community organisers – who sustain and strengthen society. You can find out more by clicking the links below...

THINK MUMPS

Children, teenagers, young adults and anyone who has missed their MMR vaccination can get mumps.

SYMPTOMS SUCH AS:

- Fever
- Headache
- Tiredness
- Swollen tender salivary glands
- Aching and feeling unwell
- Cough

REMEMBER, IF IT COULD BE MUMPS

they need to be in an area where they **cannot** pass the infection to vulnerable patients such as the non-vaccinated and immunocompromised.

- Get samples to diagnose
- Notify cases to Public Health
- Advise cases to stay at home and not attend school, university or work for at least five days after the salivary glands begin to swell

For more information go to:
www.hpsc.ie/A-Z/VaccinePreventable/mumps

Non-Uniform Day!

Friday 9th October 2026

For World Homelessness Day on 10th October

COME IN NON-UNIFORM AND
BRING £1 FOR HAPPY DAYS

£1 = 1 hot meal for someone in need

This week's Gold Book Superstars are...

OAK Class

- Amari has been impressing us all with how well he is listening in class and the effort he is putting into his work. It's really pleasing to see him put his hand more during class discussions and have a go when answering questions. Well done Amari!
- Sidney is working so hard to improve his punctuation, handwriting and spelling. We are already seeing good progress from him. What is particularly pleasing is how independent he is becoming. He now checks his work carefully and is asking the teachers in his room to check his work with him before handing it in. He will have a brilliant year if he keeps this up! Well done Sidney!

ELM Class

- Grace for her efforts and concentration when writing a wintry setting description of Moominvalley. She has used some beautiful language and has put lots of work into making sure her sentences make sense. Well done Grace!
- Romey for working with determination when rounding numbers to the nearest 10 - there was a bit of difficulty at first but with a bit of encouragement and a lot of hard work from Romey, she was able to whip those numbers into shape! Romey has also proven herself a natural writer when writing setting descriptions and unknowingly including personification when describing the night shivering. Excellent work, Romey!
- Evelyn for her absolutely stunning description of Moominvalley at winter. Evelyn has paid close attention to our shared written model so that her work has included similes, fronted adverbs, rhetorical questions and expanded noun phrases. She has used some delightful language, and her setting description has a truly magical quality to it: "The snow-packed trees sway like waves below the mountains."

SYCAMORE Class

- Vin has shown incredible resilience and independence in Maths and English this week. He has shown a 'can do' attitude to any challenge given to him, and has been super motivated to be the very best he can be. He is only going to continue going from strength to strength with this super mindset - well done Vin! 😊
- Pippa had an excellent Science lesson investigating shadows. She followed the method carefully to ensure our investigation was fair, and made thoughtful contributions to her group as they found out how the shadow could change. Definitely a future scientist - well done Pippa!

WILLOW Class

- Edrick - He always has a positive attitude to learning. He has shown great determination with his letter formation in phonics this week showing great pencil control and sound recall. Well done Edrick!
- Ember - She offered an outstanding explanation about parts and wholes in Maths this week. She explained this with excellent detail and reasoning as to why the whole is always the greatest when adding numbers

ACORNS CLASS

- Aria – for having beautiful manners
- Jamal – for being very kind and sharing with his friends.

TEAM POINTS

The Team Point Pixies have been flying round and adding up all the team points.

They have been counted and verified...

and the winner is...

 Diamonds	 Rubies	 Sapphires	 Emeralds
518	330	363	232

WELL DONE, TREASURES!

BRILLIANT BLUE PUPILS

Riley
Ember

FREJA'S

MENSTRUAL HEALTH CONDITION? INFERTILITY? PREGNANCY LOSS?

Join Freja's monthly meetup at Platform One Gallery.

This is a space for anyone living with menstrual health challenges* such as **endometriosis, PMOS, PMDD, fibroids, menopause challenges, infertility** - or for anyone who has experienced **pregnancy losses**.

This is a kind and safe space to connect with others with similar experiences. We chat, we rant, we laugh, and sometimes we cry. Each meetup is centred around a therapeutic art activity (no skills needed!)

*You do not need an official diagnosis to join.

WHEN: 2ND WEDNESDAY OF EVERY MONTH 7-9PM

**BOOK YOUR FREE SPACE HERE: WWW.FREJAS.ORG/WORKSHOPS
OR SCAN QR CODE**
